

Yarm Primary

Year 5 **Enquiry Question:** We all have similarities and differences: what are yours?

Subject Specific Vocabulary			Sticky Knowledge
Strength	Something that we are really good at.	For the following half term, our PSHCE topic will be around our similarities and differences. We will get to know our own strengths and weaknesses, set goals for the future and develop our understanding of online safety.	We all have strengths and weaknesses – even superheroes and your teachers!
Weaknesses	Something that we are not so good at – but we can try hard to develop our weaknesses.		
Aspirations	A hope or ambition of achieving something.		
Future	A period of time following the present, i.e. There will be flying cars in the future.		
Vision	To think about and plan for the future with imagination.		Realistic goal setting is extremely important, otherwise it can lead to a decrease in motivation.
Achievement	The process of accomplishing something.		
Online	Something that is controlled or connected to a computer.		
Social media	Websites and applications that enables users to create and share content or to participate in social networking.		
Safety	Being protected from and unlikely to cause danger, risk or injury.		
			Having an online presence can have it's rewards and it's risks – there are several ways to ensure that we stay safe and secure online.
