

Year 5 & 6 Spelling List Activities

Please find below a list of suggested activities in order for you to practise the Year 5 & 6 spellings.

- 1) Use the word in a sentence. How many different sentence types can you use? E.g. subordinate clauses, fronted adverbials, relative clauses, compound sentence with conjunctions, expanded noun phrases.
- 2) *Four in a Row!* Play with a partner: who can be the first to write the word correctly four times in a row?
- 3) Can you use a mnemonic to practise your word? E.g. muscle (My Unusual Slippers Cost Lots Extra.)
- 4) *Pyramid Spelling.* Can you build up in a word letter-by-letter in a pyramid shape?
- 5) *Hangman!* Play with a partner to save the person before the word is spelt correctly.
- 6) *Riddles!* Can you make up a riddle/clue about your word for a partner to guess?

OR, simply practise writing your word several times on a line to practise your handwriting then use it in a sentence of your own.
