In the War Music topic one of the elements was Soundtrack. Do you remember what a soundtrack is?

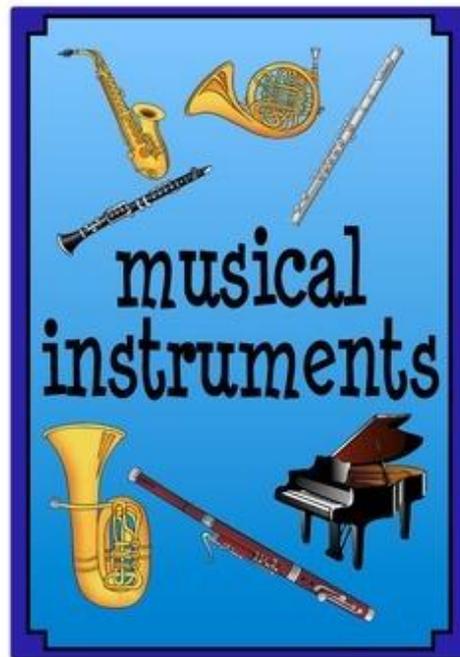

Here is a link to the complete music from the Harry Potter films. It features 180 pieces!

Luckily you don't have to listen to them all but I'm going to ask you to select 3 different pieces from the first movie "The Philosopher's Stone". (If you look at the picture you will see you make your selection from 19 video clips)

TASK - Compare the 3 pieces you have chosen

TOP TIPS - Think about the following...

Elements of Music		
Timbre	Different Sounds	
Pitch	High or Low	
Dynamics	Loud or Quiet	
Texture	How Many Sounds?	
Tempo	Speed of Music	
Structure	Music Plan	
Duration	How Long?	

Here are 3 links to watch videos of Orchestras playing parts of the soundtrack.
