**Accessibility Plan**  
**2017 - 2020**

Priority	Issue to be addressed	Timeframe	Leaders	Success Criteria	Cost
1	Individual child continues in to year 2 September 2017 – Medical bed in disabled toilet now serviced annually — staff have manual handling training and training around health conditions plus additional training provided for specialist hoist equipment	Ongoing dependant on need	Head Teacher/SENCo working with specialists around the child– all staff to be aware of routes through school especially KS1	The successful integration of child in to year 2 and wider school community. Parents confident that we are meeting child’s needs. Staff who feel confident in supporting child physically and in his/her education. Training updated July 2018	Annual cost of equipment service
2	De-escalation and restraint training updated for designated staff– training is required to allow staff to support pupils and maintain the safety of themselves and those around them	To be reviewed Autumn 2018	SDM – Training to be provided by Team Teach	Staff feel confident in using de-escalation and restraint techniques if and when required. The safety of staff and children across school is maintained.	
3	Lack of flexibility around 1 to 1 working has been addressed by working in ‘teams around the child’ – EY staff to support while numbers are low in EY1	From September 2015	Head Teacher	The impact of staff absence is lessened. Staff and children get to work with a number of individuals alleviating issues often caused by 1 to 1 working. Reviewed and continued in to 208/19	Budget neutral
4	Availability of written materials in alternative formats – This is offered through our website	Ongoing	Head Teacher/SBM	Take-up of information in different formats	To be confirmed depending on demand

5	<p>We have addressed the uneven paths around school – specifically the path from the Year 3/4 yard to the office</p> <p>Car park and playground (specifically KS1) surfaces have been highlighted as unsafe in places – this is being monitored jointly by the school and the Trust – potholes to be filled as required in the interim</p> <p>BG filled a number of pot holes in the car park Summer 2017 but this is just a temporary measure</p>	<p>Complete Spring 2016</p> <p>TBC</p>	<p>SDM, site supervisor and ELT estates manager</p>	<p>Paths, car parks and playgrounds can be used safely by all members of our school community.</p> <p>Year 3/4 path to be monitored through 2018/19 – still in reasonable condition – checked during H&amp;S inspection 2018</p> <p>Car park further damaged by bad weather in 2018 – school working with the Enquire Learning Trust around this</p>	<p>To be confirmed</p>
6	<p>KS2 library is currently not wheelchair accessible – this may be a future consideration dependent upon funding</p>	<p>TBC</p>	<p>SDM and HT – lottery funding applied for but turned down – application made to local building work for support</p>	<p>KS2 library is accessible to all</p>	<p>£1600 approx. – Funding unavailable at present</p>
7	<p>Kitchen needs updating/upgrading to make sure that it is fit for purpose</p>	<p>2017/18</p>	<p>ELT are working on this and funding it</p>	<p>Kitchen staff are happier with their working environment</p> <p>Improvements made 2018</p>	<p>ELT to cover cost</p>
