## Friday 15th November 2024

Dear Parents and Carers,

We have arrived at the end of another week. It has been lovely to see a number of parents the Maths workshops this week. By working collaboratively we can help your children reach their full potential! Please ensure that you arrive on time when invited to workshops.

This week Y6 experienced the Young Shakespeare Company who were fantastic! It was a joy to see the children enjoy Shakespeare being brought to life.

To improve communication between school and parents, we are now sending a text message if your child has had a minor injury or bumped their head at school. A minor injury is a fall and graze, bumped head etc, all children will have received first aid if required. You do not need to contact or collect your child from school.
