## Friday 19th April 2024

Dear Parents and Carers,

Welcome to the end of a busy week in school. It was lovely to see parents in assembly this morning sharing in their children's success.

Tuesday 16th April was National Offer day for children starting Reception in September! This is always an exciting time of year as we get to prepare for their educational journey with us. Nursery parents, induction information will be sent to you soon.

Reception and Yr6 had their height and weight measured on Wednesday, any absent children will be measured upon the return of our the school nurse team in May.

This week myself and members of SLT have been in contact with parents whose children have not been completing homework or their reading logs. Please ensure your child completes these as they are an essential part of their learning experience.

For those children who regularly attend homework club with Mr Neale-Crane, he reports that it is having a positive impact on their independence and they are successfully completing all of their homework. Well done and keep it up!

If you need any help or support, contact the school office who will pass your message onto us.
