What is a friend ?

How do we make friends?

What makes a good friend for you?

What kinds of things do you expect to give
and receive?

What does a chef use to make a cake?

A cake needs ingredients the chef needs to follow the recipe carefully to make a successful cake. Look at the recipe below.

It lists the right amount of each ingredient so that the end result is successful.

1. Grease and line two 20cm sandwich tins.
2. Sift the flour, cocoa powder and baking powder together in a mixing bowl.
3. Pour the oil into a separate mixing bowl.
4. Add the sugar and whisk it.
5. Add the eggs to the oil and sugar mixture one at a time
6. Add the rest of the flour and stir with a large metal spoon to combine.
7. Stir in the milk to loosen the batter slightly.
8. Divide the batter between the two tins and bake for 20-25 minutes.
9. Leave to cool for five minutes in the tins.
10. Turn out the cakes onto a wire rack to cool.

There are different ingredients needed to make a positive friendship.

Activity: Making a friendship cake

What would be the key ingredients that go in the cake?

What ingredients would you add on the outside?

What would you put on the top of the finished cake?

Lots of you are similar to your friends: religion, families, skin colour, hair, clothes etc... but we can also choose our friends on different characteristics like interests, shared values etc...

Working with a partner- think about the important friendship ingredients needed to make the best cake.

Add the amount of spoons to each ingredient and cut out your circle to make your cake.

Choose your ingredients and add to your cake.

Is there anything else you would like to add to your cake?
