£3,474.89	Street Space Ltd payment towards construction of an outdoor Sports Canopy.	To double our capacity for PE lessons, before and after-school clubs.	This will enable all children to access two hours of PE each week, thus raising their physical and emotional well-being. We will also be able to double the number of pupils accessing before and after-school clubs. Children will be able to access a wider range of clubs, including dance, gymnastics and martial arts.	The initial canopy structure can be added to over the coming years, including side walls, flooring and electricity.	The canopy has enabled us to double our PE provision since Summer 2023. A provision map has been put in place by the AHT to include both skills-based lessons and sports-based lessons.
£8,025	Sport Development UK Weekly after-school clubs, in addition to lunch-time coaching: Football Basketball Cricket Gymnastics Multi-sports	Provide extracurricular opportunities to develop physical and social skills in context. To support children's play during lunchtime.	Children are able to access a range of clubs throughout the year, which allow them to develop their social skills and apply them in a game context.	Sports club provision will be an ongoing need for the next 3 years as a minimum. Tracking of pupils' take up and attendance will enable us to adapt the course throughout the year to increase participation and fairness. Pupil Premium children will be targeted with reduced cost (50%) for them.	Uptake for after-school clubs has significantly increased, particularly in PP children. After a free trial for PP families, a subsidized cost of 50% was introduced and uptake continued to stay high, with 50% of children accessing after-school provision being PP. boys are more likely to access provision, particularly in key stage 2. As such, additional clubs for dance and yoga have been sourced after a successful trial.
