£1,050	Central Sports Partnership Year 1-5 Multi-skills events	To further develop our PE provision to include extra-curricular activities, team sports and links with the wider sporting community.	Pupils will develop a greater love of sports and competition. More children will take up a sport outside of school. Pupils will have the opportunity to meet and compete with children from other schools and backgrounds.	PE leader will be making links with other schools through CSP Moving forward, planning in sport-based educational visits, e.g., Edgbaston Cricket Ground.	
£3,740	Yoga and Dance Bugs afterschool clubs.	To continue to offer a range of after school clubs that appeal to children who are less interested in team sports.	Feedback from the school council has shown that there is a great need for dance, acrobatics and relaxation clubs. Relaxation and meditation sessions build strategies for children to cope with the challenges of life.	All children will have the opportunity to attend an after-school club, with identified PP and vulnerable families given support with costs.	
£150	Central Sports Partnership 2-day accredited swimming teacher training	Having a trained swimming teacher on staff will enable us to improve our swimming provision.	An increased number of children will be able to swim at least 25-metres by the time they leave school in year 6.	The trained swimming teacher will be timetabled to go with all classes that go swimming.	
£3,993	Additional half term of swimming lessons for all children in years three to six.	To double the number of swimming lessons for year 3 to 6 pupils.	An increased number of children will be able to swim at least 25-metres by the time they leave school in year 6.	The increased number of swimming lessons will continue annually to ensure a greater number of pupils leave year 6 able to swim.

An increased number of children will be able to swim at least 25-metres by the time they leave school in year 6.	The increased number of swimming lessons will continue annually to ensure a greater number of pupils leave year 6 able to swim.	
£500	Hope Education Replenishment of PE equipment for both indoor and outdoor PE lessons. To provide additional equipment for use at lunch and playtimes.	Ensure that we have the practical resources to enable us to deliver two-hours of PE to every child, every week. To give children additional equipment to help them to keep active during lunch and playtimes.	Children will be able to access two-hours of PE each week, in so doing benefitting their physical and mental well-being. Physical activity and behaviour will continue to improve at lunch and playtimes.	Equipment is sorted into lockable storage for hall, outdoor or playtime use. Monitors have responsibility for getting out and putting away the equipment. PE leader carries out weekly stock checks.	
£704 ASA Coaches Umberslade Adventure	Coach hire for the year five trip to Umberslade Adventure.	To subsidise the cost of the year five outdoor adventure visit.	By subsidising the cost for coach hire and only charging the entry fee it will make the cost of the visit affordable for all. Thus, ensuring the visit goes ahead.	All pupils in year five will experience outdoor adventure activities as part of our PE curriculum.	
Contingency £2,594	To develop additional PE and sport-based experiences for targeted pupils, e.g. Edgbaston Cricket Ground, Birmingham City FC. Etc.

Evaluation of Previous Year's Sports Premium Spending 2024 - 2025

Amount spent	How the money has been spent	Intent (What we are trying to do)	Effect on pupils' PE and sport participation and attainment	How we will make sure/have made sure the improvements are sustainable	Evaluation Summer Term 2025
£600	Central Sports Partnership School Games	To further develop our PE provision to include extra-curricular activities, team sports and links with the wider sporting community.	Pupils will develop a greater love of sports and competition. More children will take up a sport outside of school.	More work with Central Sports partnership, moving forward.	As two of the training activities didn't go ahead we won't be paying the additional cost in the future.
£1,050	Central Sports Partnership Year 1-5 Multi-skills events	To further develop our PE provision to include extra-curricular activities, team sports and links with the wider sporting community.	Pupils will develop a greater love of sports and competition. More children will take up a sport outside of school. Pupils will have the opportunity to meet and compete with children from other schools and backgrounds.	Moving forward, planning in sport-based educational visits, e.g., Edgbaston Cricket Ground.	All pupils in years one to five took part in the multi-skills events which were in school rather than away as in previous years.
£400	Central Sports Partnership Year 4-6 Play Leader Training	To continue to promote physical activity and team sports at lunch and playtimes.	Pupils will have the opportunity to engage in physical activity and practice skills learned, outside of PE lessons.	Play Leaders will be in place to support their peers at lunch and playtimes, and over time will train new Play Leaders.	Play Leaders were identified and received training. They are now able to lead on play at lunchtime.
£400	Central Sports Partnership Time to Relax Sessions (x4)	To continue to develop pupils' mental health and wellbeing, in addition to their physical health.	Pupils will understand the link between both physical and mental health being of equal importance, including the positive effects they have on our bodies and minds.	All children will have the opportunity to attend relaxation and wellbeing sessions through CSP or Relax Kids, to develop strategies for developing relaxation and mindfulness techniques.	Identified pupils from years 1 to 3 were able to access the wellbeing sessions. Pupils were chosen based on staff concerns / feedback.

£10,175	Sport Development UK Weekly after-school clubs, in addition to lunch-time coaching: Football Basketball Cricket Gymnastics Multi-sports	Provide extracurricular opportunities to develop physical and social skills in context. To support children's play during lunchtime.	Children are able to access a range of clubs throughout the year, which allow them to develop their social skills and apply them in a game's context.	Sports club provision will be an ongoing need for the next 3 years as a minimum. Tracking of pupils' take up and attendance will enable us to adapt the course throughout the year to increase participation and fairness. Pupil Premium children will be targeted with reduced cost (50%) for them.	After school clubs continue to be very well, attended across years 1 to 6, with 50% being PP children. We have decided to develop our provision of after-school clubs, interventions and PE support to upskill our teaching staff by creating a role in-house.
£5,525.77	Gymnastics equipment.	To further develop our ability to deliver high quality effective PE lessons, including gymnastics.	PE lesson time for gymnastics will be used more effectively with improved and increased equipment.	Gymnastics equipment will be regularly checked and serviced.	Feedback from teaching staff and learning walks have shown the equipment is being used well within lessons, giving better outcomes for pupils.
