Dear Parents and/or Carers,

Talk for Parents on Supporting Transition into Year Seven from the NHS

This year we have been taking part in a pilot scheme with the NHS where a School Nurse, Selene Brett, has been delivering lessons and workshops to both children and their parents relating to children's health.

On Tuesday 9th June at 9 a.m., parents of Year Six children are invited to attend a talk delivered by Estelle on supporting your child through their transition to secondary school. She will share tips for parents on how to support their child's health, including mental health, during transition. This talk will take place in the Year Six Yorkshire classroom.

We look forward to seeing you in school next Tuesday morning.

Regards,

Mr S.Sutton
