Name: _____ Date: _____

Dear Parent,

Your child is learning how vowels, (a, e, i, o, u) can make different sounds. For example 'ow' can have long 'o' sound ('ow' as in 'know') or a short sound ('ow' as in 'now'). All these words contain the short and long 'ow' sound. Please help by practising these words with your child. Thank you for your help.

- Point out the 'ow' sounds and how they make the words rhyme.
- Try to think of other words that rhyme, follow the same rule or pattern.
- Discuss the meaning of the words and try to think of a sentence containing the word.
