Dear Parents / Carers,
At Yorkmead School, we teach reading and writing using Read Write Inc. Phonics. To help you to understand what we teach and how we teach we have attached a link to [ruthmiskin.com/en/find-out-more/parents/](https://www.ruthmiskin.com/en/find-out-more/parents/) Here you will find a wide range of online videos that will help you and your child prepare for their phonics learning. We recommend that you start by viewing the above videos on the website. Keep an eye on the school website for more video suggestions. We have also attached a link to Oxford Owl. Here you can access a wide range of age matched activities and learning ideas for different curriculum areas. You can also find a wide selection of e-books that your child can read on-line.

Happy Learning! Mr. A. Neale-Crane (English and Early Years Leader)
