Peregrine Class Swimming Autumn 2021

Dear Parents

This term, Peregrines will be doing swimming at Tidworth Leisure Centre starting on **Monday 13th September**. This is a 6-week programme which is an important part of our PE provision. **Children will need to come to school next Monday with swim kit and a towel.** The last session will be Monday 18th October.

The session is from 2.30-3.00pm. Children will walk to the pool with adults from school. The children will not be back at school until 3.30-3.40pm so you have the following options:

- A. You can collect your child directly from the pool at 3.10pm.
- B. You can collect your child from school when we return at 3.40pm approx.
- C. You can give permission from your child to walk home from school when we arrive / using the closest route when walking back from the pool.
- D. You give permission for your child to walk home alone from Tidworth Leisure Centre at 3:10 pm.

Once you have chosen which going home option you require please stay with this for the swimming period.

There will be a voluntary contribution £3 per session. Please pay on Parent Pay by **Friday 1st October**.

The following link will allow you to give permission for swimming as well as your preferred option for collection/walking afterwards:

Please complete the form by **Thursday 9th September** and remind your child to bring their swim kit in a bag on Monday.

Many thanks
